Hosted since 2005

The 12d Tech Forum is Back for an Incredible In-Person Event

Get Ready for an Unforgettable Experience in Sunny Brisbane! After Six Long Years,the 12d Tech Forum Returns to BCEC in 2024

About the 12d Tech Forum

The 12d Tech Forum is a large-scale event that provides education and inspiration to infrastructure professionals. It serves as the top destination for 12d Model and 12d Synergy customers and partners to gain knowledge and become a part of the community. In addition to this, the 12d Tech Forum is attended by industry leaders and enthusiasts. The 12d Tech Forum is where the infrastructure industry's finest minds come to learn, and it aims to fuel creativity, offer practical expertise, and facilitate connections that drive an inclusive future.

Discover what to expect from the Tech Forum 2024

At this three-day event, 12d Solutions will be highlighting exciting features in 12d Model including new sub-versions, as well as new developments in 12d Synergy, and more! We will continue the ever-popular 'Birds of a Feather' breakout sessions on Design, Surveying, 12d Water and 12d Synergy. This event will be an invaluable learning and networking experience for users of 12d products and other industry professionals, in all areas of civil design, surveying and construction, water engineering, data management, and project collaboration.

The 12d International Innovation Awards will be presented at the Tech Forum Gala Dinner - contact techforum@12d.com for more details on entering.

The 12d Tech Forum offers:

• A great opportunity to increase your 12d Model / 12d Synergy skills
• The ability to interact with the developers of 12d products
• The chance to network with, and learn from, other 12d users.

Reasons to Attend the 12d Tech Forum 2024

#1 Gain Invaluable Education and Training

Whether you're a tech newbie or a super user, the 12d Tech Forum is the perfect place to equip your team with invaluable tips and tricks that will boost efficiency and productivity. Discover the latest software updates, industry trends, and best practices to help your team stay ahead of the curve. With a jam-packed 3-day schedule, you'll have plenty of opportunities to immerse yourself in the latest tech innovations and learn from industry experts who will share their insights on how to use these innovations to your advantage.

#2 Expand Your Network

The 12d Tech Forum isn't just about education and training - it's also a fantastic opportunity to connect with other professionals in your field. Rub shoulders with like-minded individuals, make valuable connections, and exchange ideas that could take your career or business to the next level. Our event attracts a diverse range of infrastructure professionals, from industry leaders to up-and-comers, giving you the chance to meet people from all walks of life and learn from their unique experiences. By joining the 12d Tech Forum you'll open yourself up to new opportunities, partnerships, and collaborations that could shape your career trajectory for years to come.

#3 Get Inspired by Industry Leaders

Elevate your knowledge and gain valuable insights from the 12d Model and 12d Synergy leaders themselves. Learn about the latest technological trends and advancements that will shape the future of the industry. Discover innovative solutions and strategies to help you take your business to the next level. With a diverse array of guest speakers and industry leaders, you'll be inspired to make a difference in the infrastructure world and beyond. Leave the 12d Tech Forum feeling motivated, informed, and ready to tackle the challenges ahead.

#4 Unleash Your Potential

The 12d Tech Forum offers a unique opportunity for personal and professional growth, with access to the latest industry trends, practices, and innovations. Expand your knowledge and network with like-minded individuals who share your passion for technology. Immerse yourself in a collaborative environment where you can exchange ideas and gain valuable insights. Unleash your potential and discover new horizons for your career.

#5 Join the 12d Community and Thrive Together

The 12d Tech Forum is more than just an event, it's a chance to join a thriving community. Connect with the 12d Model and 12d Synergy teams, including executives, to share your knowledge and gain valuable insights from experts in the field. Make lifelong friends and be a part of a community that has been growing and thriving for over 30 years. Together, we can innovate, inspire, and improve the industry. Join us and become a part of something bigger.

#6 Celebrate the Industry's Achievements and Have Fun!

Our Innovation Awards Ceremony is the highlight of the event. Attend the Tech Forum Gala Dinner to applaud the ground-breaking work and extraordinary achievements of the global 12d Community. Be inspired by industry leaders and visionaries and enjoy an unforgettable experience filled with industry and media exposure, prizes, food, and drinks. Don't miss your chance to become a 12d visionary and celebrate the industry's success with us.

In the wake of five successful 12d International Innovation Awards, we are pleased to announce the 12d International Innovation Awards 2024.

The 12d International Innovation Awards recognises inspired thinking and innovative solutions in civil engineering, surveying, and data management. Around the world, our industry faces challenging problems and finds inventive answers. The 12d International Innovation Awards highlights some of the best of those solutions.

Entries close at midnight on 30th April 2024.

Award Categories

2024 will hold award categories for **Design, BIM & Visualisation, Survey & Construction, 12d Water, Customisation & Macros (in Honour of Matt Monk), 'Banishing the Drafting Demon' and 12d Synergy.**

Record Prize Pool

The 2024 12d Innovation Awards includes a record prize pool, valued at **A$42,000.**
